		15. PSC: whole-school: 90%; DP: 56%

2. Aims:	
1	To support pupil's social, emotional and behaviour needs on their return to school.
2	To identify barriers to learning as soon as possible and provide immediate corrective intervention.
3	High quality first teaching to enable pupils to catch up.
4	To reduce absenteeism in identified groups.
5	To increase interest and raise aspirations for the future in order to prepare for success in next steps.

3. Barriers to learning:	
1.	The negative impact school closure has had on DP children and their families.
2.	A high number of DP pupils at St John's have additional needs (22/33 pupils on SEND register are DP), 32% of DP are SEND pupils, 50% EHCP are DP
3.	A significant number of DP children in Yr 2 and LKS2 have limited basic skills.
4.	Persistent absenteeism – 6% of DP girls are PA. 0% of DP boys are PA. 31% of PA children (4 children) are DP girls and all are girls.

4. Teaching Priorities		
Priority	Activity	Intended outcome
1. Additional needs of DP are identified early and addressed in order for them to make better progress in Reading, Writing and	Staff training – high quality first teaching, use of TAs, Inclusive Classrooms (£1,800) Engage high quality services eg Associate SENDCo, Acorn EP Services, Lancs Maths Support Team. (£8,500) Regular review of provision, progress and tracking of pupils. (£0)	Precise diagnosis of gaps in learning leads to more informed teaching and improved progress.

Maths and to reach expected standard in PSC.	High quality interventions and equipment: IDL, WordsFirst etc & training (£2,550)	National average standards are achieved in PSC.
2. Improve progress of DP boys in LKS2 & Year 1	Effective deployment of pastoral and support staff to meet identified needs. (£12,000) Mastery approach to Maths in all year groups – training and resources as required. (£650)	Children in identified groups make better progress.
3. Improve progress in Reading at the end of KS2 assessments	Explicit teaching of reading skills each week. (£0) Audit current books and make additional purchases. (£750) Subscription to School Library Service including Library and Museums Loan Service (£695) Introduce whole-school Reading Challenge. (£125) Improve School Libraries and develop new reading/intervention areas. (£1,250)	Children are more engaged with reading. They read more widely and often and as a result access the curriculum more and make improved progress.
<b>Total spending:</b>	£28,320.00	

<b>5. Targeted Academic Support Priorities</b>		
<b>Priority</b>	<b>Activity</b>	<b>Intended outcome</b>
1. Identify which pupils who have been most affected by the pandemic	Weekly PSHE sessions and additional when needed (£0) Class sessions with Learning Mentor (£6,700) Weekly Pastoral Team Meetings (£0) Weekly phone calls – Family Liaison Manager to identified families (£500)	TAs work closely with CTs to supplement and extend their work and pupils catch up on their learning. TAs are used effectively to promote progress, particularly in reading.
2. Tailor programmes of support, including reading intervention in particular	Provision Map to identify gaps in learning, in place to be reviewed half-termly. (£0) Effective deployment of TAs and training for all eg Inclusive Classrooms, Working Memory, Language of Choice. (£12,550) Appropriate resources to be purchased eg Maths IDL. (£5,500) Develop new intervention rooms eg improve IT access in some areas in order to deliver recovery programmes. (£2,800)	
<b>Total spending:</b>	£28,050.00	

<b>6. Wider Strategies</b>		
<b>Priority</b>	<b>Activity</b>	<b>Intended outcome</b>
1. Address the negative impact school closure has had on children and their families	Strict timetables in place. (£0) Rigorous, robust Risk Assessments in place. (£0) Affected children quickly identified, suitable timely support put in place. (£20,000) Make remote-learning accessible for our families. (£2,500) Engage with outside agencies for tailored support -Youth Sport Trust, Red Cross, Dogs Trust etc. (£500)	Restore vital learning routines to ensure pupils have the best chance of success. Pupils are supported in reconnecting with their peers and re-establishing positive learning behaviours.

2. Promote effective home-school engagement	Improve communication and promote effective home-school engagement eg Twitter, ParentPay, use of Family Liaison Manager. (£5,700)	Communication with families is made easier meaning that families trust our approaches and support strategies in place for learning and well-being.
3. Deploy pastoral staff for effective social and emotional support	2-weekly additional Circle Time with Learning Mentor. (£4,000) Pastoral Provision Map to be in place and reviewed half-termly. (£0) C-POMS to be used for behaviour monitoring. (£650) Family Liaison Manager and Associate SENDCo for extra CAF admin. (£1,150) Additional family support - uniform provision, Breakfast Club & ASC. (£2,750) Pupil Mentor full timetables of support. (£11,000)	New barriers to success are reduced and children are monitored closely. Children with additional behaviour needs are supported.
4. Decrease persistence absenteeism in identified groups	PAST support to be used effectively. (£0) Weekly attendance review. (£0) Same day response – led by Family Liaison Manager. (£0) Specific intervention programmes (eg Sisters to target DP girls). (£1,100) Covid-19 concerns addressed via rigorous risk assessment. (£0) DSL to liaise closely with outside agencies. (£0)	Attendance improves for all DP pupils, particularly girls with historic PA.
<b>Total spending:</b>	£49,350.00
