

## Information for parents/ carers

Each week we will be learning new graphemes during our Online Teams Phonics Sessions. This week we will be practising the digraph (letters) which make the sounds 'sh' and 'ch' within words. It would help greatly if you could spend a few minutes each day using your child's Phase 2 and Phase 3 laminated letter cards to make words containing the sounds that we have practised that week.

Each week I will set online learning tasks linked to the letters of the week.

This week the activities are:

- Read the words and colour the real words one colour and the pretend words a different colour.
- Throw a dice. Say the number, then read and colour a word in that row.
