Greater Depth

A shop sells sheets of sticky labels.

On each sheet there are **36 rows** and **18 columns** of labels.

How many labels are there altogether on **45 sheets**?

Answers

1. 82916

2. 119877

3. 201221

4. 548184

5. 371424

6. 360282

7. 68376

8. 139401

9. 203906

10. 182832

11. 252044

12. 279916

Greater depth

$$18 \times 36 \times 45 = \underline{\underline{29160}}$$
