

LO: To measure mass in standard units.

Watch this teaching video on oak academy trust and complete the quiz.

In this lesson you will be learning all about measuring mass in grams and kilograms.

Mass is how heavy or light something is.

<https://classroom.thenational.academy/lessons/to-experience-standard-units-of-mass-70upcd?activity=video&step=2&view=1>

Once you have completed the lesson can you do the quiz?
