Too much salt in your diet can harm your health.

Here are the amounts of salt in some McDonald's burgers.

Round the amounts of salt to the nearest whole gram and cross (x) each burger that has at least 3g when it has been rounded.

3g of salt is **half** of the adult recommended daily allowance.

burger	salt
Hamburger	1.2g
Cheeseburger	1.6g
Big Mac	2.7g
Quarter Pounder	2.5g
Double Cheeseburger	2.4g
Big Tasty	3.4g
